Division Description

The Division of Medical Boards includes five boards that regulate various medically-related professions in Idaho. Brief descriptions of each of the medical boards are as follows:

The Board of Dentistry assures the public health, safety and welfare in the state of Idaho by the licensure and regulation of dentists and dental hygienists. Revenues are generated from licensing, regulatory fees, photocopying and fines.

The Board of Medicine's primary responsibility is to assure the health, safety and welfare of the public by the licensure and regulation of physicians and other health care providers. Revenues are generated from licensing and registration fees, printed materials and rosters.

The mission of the Idaho Board of Nursing is to regulate nursing practice and education for the purpose of safeguarding the public health, safety and welfare. Revenues are generated from licensing, exam fees, endorsement, and renewal and reinstatement fees.

The Board of Pharmacy promotes, preserves, and protects the health, safety, and welfare of the public by and through the effective control and regulation of the practice of pharmacy. Revenues are generated from licensing, registrations, exam fees, fines, and practitioner lists.

The Board of Veterinary Medicine administers and enforces state laws regarding licensure of persons providing veterinary medical services and upholds the quality of those services in Idaho. Revenues are generated from licensing, exam fees, certifications, and fines.

Change in Employee Compensation

Agencies were instructed to calculate a 3% salary increase in the appropriation request.

Agency Request

0.00

0

60,300

While increasing salaries of state workers continues to be a priority for the Governor, the current economic situation does not provide the funds to recommend an increase in FY 2010. When economic conditions improve, the Governor will once again seek to improve compensation for all state employees.
